Your Mauritius hotel plan

1. Save: MRU, hotel name, town and entrance pin. Grand Baie is on the north coast; Flic-en-Flac and Wolmar are on the west.

2. If taking buses: the airport stop is in the car park. For the Curepipe/Wolmar option, route 09 names Jan Palach South; route 179 starts at Curepipe North. Confirm the station change, final stop and last onward bus with CNT: +230 427 5000.

3. Price: add all passenger tickets, luggage and the last ride. Compare the same destination with a complete vehicle quote.

4. If delayed: recheck the onward service before boarding the first bus; switch to your planned airport-to-hotel ride if you can no longer make the connection.

5. For the flight home: agree the hotel pickup time separately from the flight departure time.

A message to send to your hotel

> We arrive at MRU on [date], flight [number], and are staying at [hotel]. Please send your town, a map pin for the guest entrance and the nearest bus stop. Can we comfortably walk from there with [number and size of bags]? If not, where is the closest place a car can drop us off?

Sources checked 12 November 2026. This is a planning checklist, not a timed bus connection. We have checked the sources, not travelled the route ourselves.
